Winner's Circle

The Winner's Circle award, established in 1991 was designed to encourage fresh competition each year. The winners of Best of Show and First Place at National ROA meets would be exempt from judging for a period of three years. To encourage the return of these cars a special black glass award is awarded to the car, if displayed at the National meet. This year the following cars from 2012 – 2014 were on display.
